Team Registration - IWLCA Hotel Policy

Fields marked with * are required.

The IWLCA hotel policy will be in effect for the New England Cup Tournament. The IWLCA hotel policy requires each team to book a minimum of five (5) rooms for a two nights each through approved housing links. Teams that are based inside of a 75 mile radius of the event venue and are planning to commute are exempt from complying with the IWLCA Hotel Program.

A list of approved tournament hotels will be posted on October 14th once all teams have had a chance to register for the tournament. Teams must book at one of the approved hotels on the list and meet the minimum requirement of five rooms for two nights each to be eligible to compete.

If you choose not to agree to the policy at this time, you may register for the event beginning on January 10th, 2017 should space still be available.

Team Registration Steps

- **IMPORTANT NOTES**

- If a division sells out while you are completing the registration form you will see this message... *"We apologize, but we have just filled our last available team in this division. You will now be sent back to the registration form, where we encourage you to apply for our waitlist."*
 - You will not be automatically added to the waitlist. You have to click REGISTER to be entered onto the waitlist.
- If you receive a message stating there are errors on the form, there is an error somewhere on your form. It will be highlighted in **RED**. Check that phone numbers and emails match exactly with no extra spaces. An extra space will cause the number or email to not match.
- A payment declined message indicates an issue on the bank side of the transaction. We suggest making sure your bank is aware of the charges that will occur during registration especially if you are entering multiple teams. Several \$600 charges may cause the bank/credit card to flag the transaction as fraudulent.
- If you have questions prior to registration, please contact girlslaxhelp@corrigan sports.com.
