

Dear Club Directors,

I am writing to let you know that we have made a change in our IWLCA summer tournament line-up. **We will not be hosting the 2019 Summer Debut Tournament.** After listening to your feedback and making some changes, including moving the 2019 STX Capital Cup back to Maryland, it made the most sense to devote the time and space at that location to the Capital Cup teams.

We apologize for the timing and announcement of this decision, right before registration. We hope that you understand our goal is to provide the best tournament experience to all of our coaches and players attending.

**We will still offer the 2019 Fall Debut held in conjunction with the Presidents Cup.** We look forward to welcoming your 2023 teams to that fun event in Florida. Registration for the 2019 Fall Debut and the Presidents Cup will open in April 2019.

Please let us know if you have any questions.

Thank you for all you do to grow this game we all love.

Kathy
